What We Do

Planning a beautiful and affordable country wedding? Our village hall is the ideal venue for a relaxed, personalised wedding and reception.

We are licenced by Herefordshire Council to hold civil marriages, civil partnership ceremonies, renewal of vows and naming ceremonies. Our licence covers both indoor and outdoor ceremonies, therefore offering a totally unique and exclusive venue for sustainable weddings in an idyllic setting.

With spaces for a wedding breakfast, dancing, and a licensed bar, you can tailor the space to your theme and enjoy exclusive hire for your special day. During the summer, the patio and lawn are perfect for a barbecue or hog roast, and our flexible setup ensures your guests have a fantastic time whether inside or out.

What's included

For just £1,000 you get exclusive hire of the whole venue from Friday 09:00 until Sunday 16:00. This gives you ample time to set up the venue to your liking before the wedding and to clean up the following day.

Exclusive use including a fully licensed bar area, full use of the car park, and an outside space for food trucks.

Outdoors

Imagine celebrating your special day under a sky painted with golden hues as the sun sets, surrounded by the gentle rustle of leaves and the sweet scent of blooming flowers.

An outdoor wedding offers a magical, open-air experience where nature becomes the perfect backdrop for love and laughter. With twinkling fairy lights draped across trees and the soft glow of lanterns setting a romantic ambiance, guests can enjoy the beauty of the great outdoors while toasting to your happiness.

Our natural surroundings create a relaxed yet elegant atmosphere. As the evening unfolds, music drifts through the breeze, laughter echoes beneath the stars, and unforgettable memories are made in the heart of nature's embrace.

Set up a marquee

For those who desire both the beauty of the outdoors and the comfort of a sheltered space, a beautifully adorned marquee can be set up to provide an elegant yet practical solution. Draped in flowing fabrics, adorned with floral arrangements, and softly lit with fairy lights or chandeliers, a marquee offers a sophisticated setting while still allowing guests to enjoy the stunning surroundings.
